One of the most active E.J.C. organizations in several years developed this year under the title, "E.J.C. Players," under the direction of Darryl Patten. Upon completing required participation in the theatrical field, the players become members of Pi Delta Theta, a local drama fraternity, and all members are free to meet qualifications of Delta Psi Omega, a national fraternity. An active year included a trip to the K.U. production of Paint Your Wagon, participation of members in the local Little Theater Production of Ten Little Indians, and winning first prize in the Juco Appreciation Day Parade of floats.
